We rent out 4 bungalow tents to our guests, model "Borkum", for your camping holiday here on the beautiful Lake Constance. The tents (approx. 27 m²) are divided into one large and two small sleeping compartments. The tents are coated with PVC on both sides and their sturdy design makes them more durable than average. The high quality equipment also includes a PVC floor tray to protect against soil moisture, mosquito net and a side window with an embossed glass seal. Our rental tents are very popular and we therefore recommend that you enquire and book early.

If you have further questions, we will be pleased to help.
