Camping feeling in spacious bungalow tents

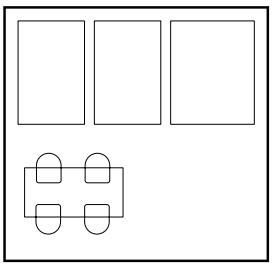

Example pictures

Exterior view 5.40 x 5.20 m

We hire out four bungalow tents to our guests of type “Borkum” for their camping holiday here on beautiful Lake Constance. The approx. 27 m² large tents are divided into one large and two small sleeping cabins. The tents are PVC-coated on both sides and their sturdy workmanship make them very durable. The high quality equipment includes a PVC floor tray to protect against ground moisture, a mosquito net and a side window with an embossed glass seal. Our rental tents are very popular and we therefore recommend that you enquire and book early.

If you have further questions, we shall be pleased to help you.
